

BAFC Family Camp Code of Conduct

- **I will strive to be a model of Heavenly culture** and refrain from name-calling, put-downs, swearing, excluding others, flirting, etc. I will not bring or use any alcohol, illegal drugs, inhalants, or tobacco.
- **I will respect the happiness and safety of others** by not playing pranks or playing with knives. I will not bring any stink bombs, toy guns that launch projectiles, paintballs, fireworks, and firecrackers. I understand that paintballs, fireworks, firecrackers, illegal drugs, and alcohol are **illegal in the park**.
- **I will respect God, others and myself by wearing appropriate clothing at all times.** Clothing that is too tight or too short, bikinis or men's Speedos are considered inappropriate. Camp staff determines what is considered to be inappropriate.
- **I will respect God, others and myself by participating in and being on time to all camp activities.** Being late is selfish and detracts from others' enjoyment of camp.
- **I will respect the camp schedule, others and myself by observing "lights out."** I understand that everyone gets the most out of camp on the foundation of a good night's sleep.
- **I will respect the authority of all responsible people** including parents, the camp director, presenters, and group leaders. Joy is created by unity centered on a higher purpose.
- **I will respect others by not leaving my child under the age of 18** at camp without me unless I have the specific agreement of the camp director or registrar.
- **I will respect the park** by not writing or drawing on any inside or outside walls of any park buildings. I will obey the speed limit (5 mph) within Camp Royaneh and will not venture outside the grounds of Camp Royaneh after dark. I will not be in the pool area except at scheduled times.
- **I will respect God's Creation** by leaving camp in the same or better state than I found it. I will keep camp clean by putting all my garbage in the appropriate place and picking up any garbage I see.

I understand that if I violate any of these commitments I will be asked to take restorative action or, in the case of serious violations, be asked to leave the camp. I further understand that any illegal activity can result in arrest and fines.
